

Broadcast Solutions is one of Europe's largest system integrators for broadcast and media infrastructures. Founded more than 18 years ago in Germany, Broadcast Solutions stands for innovation and engineering services "Made in Germany." With subsidiaries in Europe, Asia, and the Middle East, we offer our services in all areas of broadcast, content creation, and distribution worldwide.

Broadcast Solutions offers its customers tailor-made solutions with more than 200 employees and as a manufacturer-independent system integrator. We implement complex systems in the media sector, characterized by innovation and technical leadership. Leveraging our products and systems, our customers create, produce and distribute content that is consumed worldwide. This includes the world's largest sporting events and media infrastructures in sports, broadcast, industry or medicine, which set standards on a national and Europe-wide scale.
