

Broadcast Solutions is one of Europe's largest system integrators for broadcast and media infrastructures. Founded 2003 in Germany, Broadcast Solutions stands for innovation and engineering services "Made in Germany." With subsidiaries in Europe, Asia, and the Middle East, we offer our services in all areas of broadcast, content creation, and distribution worldwide.

Broadcast Solutions offers its customers tailor-made solutions with more than 200 employees and as a manufacturer-independent system integrator. We implement complex systems in the media sector, characterized by innovation and technical leadership. Leveraging our products and systems, our customers create, produce and distribute content that is consumed worldwide. This includes the world's largest sporting events and media infrastructures in sports, broadcast, industry or medicine, which set standards on a national and Europe-wide scale.

For our branch office in Cologne we are looking for an

Audio and video mechanic / fibre optic technician (m/f/o)

Your tasks

- ✘ Independent assembly of fibre optic and copper cables
- ✘ Troubleshooting and repair of fibre optic and copper cables
- ✘ Soldering work on plugs and connectors
- ✘ Wiring and cable installation - also on site with customers
- ✘ Assistance and support in the warehouse/shipping area as required

Your convincing profile

- ✘ Completed training as an electronics technician (m/f/o), fibre optics technician (m/f/o) or a comparable occupation
- ✘ Experience in the use of common measuring tools
- ✘ High level of concentration and dexterity when dealing with high-quality materials
- ✘ You have a valid driving licence class B
- ✘ You enjoy travelling and are ready to care for our international customers
- ✘ Good knowledge of English (spoken/written)
- ✘ Strong customer focus
- ✘ High level of commitment, ability to work in a team, strong communication skills and determination with the ability to work independently and in a structured manner even in stressful situations

Our offer

- ✘ Performance-related pay
- ✘ Good social benefits such as supplementary company health insurance or company pension scheme
- ✘ A dynamic and committed team
- ✘ The excitement of working with national and international clients
- ✘ The opportunity to grow within the company
