

Broadcast Solutions is one of Europe's largest system integrators for broadcast and media infrastructures. Founded 2003 in Germany, Broadcast Solutions stands for innovation and engineering services "Made in Germany." With subsidiaries in Europe, Asia, and the Middle East, we offer our services in all areas of broadcast, content creation, and distribution worldwide.

Broadcast Solutions offers its customers tailor-made solutions with more than 200 employees and as a manufacturer-independent system integrator. We implement complex systems in the media sector, characterized by innovation and technical leadership. Leveraging our products and systems, our customers create, produce and distribute content that is consumed worldwide. This includes the world's largest sporting events and media infrastructures in sports, broadcast, industry or medicine, which set standards on a national and Europe-wide scale.

For our headquarters in Bingen we are looking for an

Quotation / Project Manager Engineer / Technician (m/f/d)

Your tasks

- ▶ Commercial preparation of quotations for media technology and tenders in the fields of broadcasting and telecommunications, such as studios, production systems, playout centres, systems for remote production or outside broadcast vans
- ▶ Obtaining and negotiating supplier offers
- ▶ Supporting the conceptual development and preparation of technical descriptions
- ▶ Presenting offers to customers
- ▶ Handing over the solutions offered to the planning, design and production departments for further processing
- ▶ Overall project management of turnkey system projects
- ▶ Representation of the company at trade fairs and events

Your convincing profile

- ▶ You are a technician and/or have an engineering degree in media technology or a related profession and many years of practical experience
- ▶ Professional experience in sales and bid management
- ▶ You take on board the wishes of customers and colleagues and drive forward the corresponding solutions
- ▶ Customer orientation, the ability to work in a team, assertiveness, resilience and the ability to work independently are among your positive characteristics
- ▶ You have excellent social skills and organisational talent
- ▶ Occasional business trips at home and abroad are acceptable for you
- ▶ You have an excellent command of MS Office and MS-Vision

Our offer

- ▶ Work in an interdisciplinary team
- ▶ Worldwide projects with plenty of variety and challenges
- ▶ Flexible working hours within the framework of a flexitime model
- ▶ Helpful colleagues who offer advice and support during the induction phase and who also help you find solutions after the successful induction phase
- ▶ Inter-company benefits such as company pension scheme, supplementary health insurance, job bike
