- A secure job with challenging, varied tasks in a unique working environment.
- Long-term employment with the opportunity to develop professionally and personally within our company.
- A challenging work environment with the opportunity to work with the latest technology.
- The chance to work on international projects with our branches and subsidiaries.
- Exclusive benefits for employees / discounts (corporate benefits).
- Company benefits include occupational pension schemes, additional health insurance, and bike leasing.

### **What we do**

Broadcast Solutions is one of Europe's largest system integrators for broadcast and media infrastructures. Founded in Germany in 2003, Broadcast Solutions stands for innovation and engineering services "Made in Germany". With subsidiaries in Europe and the Middle East, we realize projects worldwide and offer our services in all areas of broadcasting as well as content creation and distribution.

With more than 250 employees and as a manufacturer-independent system integrator, Broadcast Solutions offers its customers tailor-made solutions. We implement highly complex systems in the media sector that are characterized by innovation and technical leadership. With our products and systems, our customers create, produce and distribute content that is consumed worldwide. This includes the world's largest sporting events as well as media infrastructures in sport, broadcasting, industry and medicine that set national and European standards.

### **Are you interested?**

If you recognise yourself in this profile and would like to become part of our team, we look forward to receiving your application. Please send your complete application documents, stating your desired salary and earliest starting date, by e-mail to:
