

For our headquarters in Bingen am Rhein, we are looking for an
Internal Sales Manager* fulltime (m/f/d)

Your tasks

- Supporting the sales team.
- Creation and follow-up of offers.
- Maintaining and updating the customer database.
- Coordination and organisation of sales activities.
- Supporting the planning and realisation of customer events.
- Processing customer enquiries and orders.

Your profile

- Completed commercial training or comparable qualification.
- First professional experience in internal sales.
- Strong communication and organisational skills.
- Confident handling of MS Office and CRM systems (SAP, easyjob).
- Ability to work in a team and independently.
- Very good written and spoken German and English skills.

What we offer

- A future-proof job with challenging, varied tasks in a unique working environment.
- Long-term employment with the opportunity to develop professionally and personally in our company.
- A challenging work environment with the opportunity to work with the latest technology.
- The opportunity to work with our branches and subsidiaries on international projects.
- Further training opportunities, such as language courses and software training.
- Exclusive benefits for employees/discounts (corporate benefits).
- Inter-company benefits such as company pension scheme, supplementary health insurance, and job bike.

What we do

Broadcast Solutions is one of Europe's largest system integrators for broadcast and media infrastructures. Founded in Germany in 2003, Broadcast Solutions stands for innovation and engineering services "Made in Germany". With subsidiaries in Europe and the Middle East, we realize projects worldwide and offer our services in all areas of broadcasting as well as content creation and distribution.

With more than 250 employees and as a manufacturer-independent system integrator, Broadcast Solutions offers its customers tailor-made solutions. We implement highly complex systems in the media sector that are characterized by innovation and technical leadership. With our products and systems, our customers create, produce and distribute content that is consumed worldwide. This includes the world's largest sporting events as well as media infrastructures in sport, broadcasting, industry and medicine that set national and European standards.
